REQUEST TO WITHDRAW FINALITY OF OFFICE ACTION
DATED JANUARY 17, 2003

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Sir:

MPEP §706.07(a) provides that "second or any subsequent actions on the merits shall be final, except where the examiner introduces a new ground of rejection that is neither necessitated by applicant's amendment of the claims nor based on information submitted in" certain information disclosure statements (emphasis added). The new rejection of claim 14 set forth in section 6 on pages 3-4 of the Office Action dated January 17, 2003, based partially on U.S. Patent 4,966,802 to Hertzberg, was neither necessitated by any amendment of claims nor based on information submitted in any information disclosure statement. It follows that the Office Action dated January 17, 2003 was prematurely made final, and that the finality of that Office Action should be withdrawn.

Respectfully submitted,

Date: May 19, 2003
